

Tournament Overview

We Got Next is the first tournament of the 2020 MI3 Hoop Series. This youth basketball event is for 9U-17U boys' and girls' teams. Hosted by MI3 Center for the third straight year, We Got Next will field the next generation of talented players competing at a high level. Players and coaches will get to showcase which organizations are next up to dominate grassroots basketball. The winners of each division will receive a free entry to either the Houston Invitational or Grassroots Classic.

Structure

The tournament format starts with pool play. After all the pool games are finished, teams will be seeded according to their division pool play record and placed in a playoff bracket to play for the championship. 3 games are guaranteed for each team, but that number can increase depending on the number of teams registered for a certain division. At the beginning of the tournament, each head coach will receive a tournament packet. This packet includes two coach bands, this document, the Rules & Regulations document, and the Age Division Rules document.
